

Take the  
**ScienceRising**  
**Challenge**

In 2016, **fewer than half** of STEM students turned out to vote.

Now, it's time to **boost the science vote.**

Take the **Science Rising Challenge** and make a difference in the 2020 election.

[\*\*sciencering.org/challenge\*\*](https://sciencering.org/challenge)

*Science Rising is a nationwide nonpartisan movement fighting for science, justice, and equity in our democracy.*
